

*Company image,  
advertising  
&  
marketing  
are the keys  
to optimum  
growth.*

*Print Plus More* was created in 1998 to help businesses create images to enhance themselves above their competitors and market their businesses both on a local and national level. We realize the importance for a business to display a professional image, reach target markets while maintaining within an annual budget. Time is very valuable to a business in terms of growth; therefore, we minimize time for businesses by providing a complete line of products, designs, and services such as printing, media advertising, website design, web hosting, search engine optimization, promotional items, and apparel for the corporate structure, as well as, employees to give any company a more enhanced professional image.

*Print Plus More* is dedicated to helping your business grow through experience, customer service, and quality. We maintain a strong commitment of excellence in project management, design and branding, quality, efficient production times, and professionalism.

## **“VISIONS”**

begin with a simple  
image ...  
word ...  
phrase ...  
it's what you do with it which  
determines the end result”

## **“REALITY”**

*Let our team of  
experts turn your  
“VISIONS”  
into  
“REALITY”*
